**Lowndes County of Board of Health
January 29, 2019
Minutes**

Members Present

Dr. Mark Eanes, Chairman
Dr. Mary Margaret Richardson, Vice-Chairman
Dr. Randy Smith, Secretary
Mayor John Gayle
Bill Slaughter
Dr. Frances Brown

Members Absent

Wes Taylor

Others Present

Dr. William R. Grow
Tad Williams
Dwain Butler
Teresa Giles
Norma Jean Johnson
Kyle Coppage
Aaron Darnell
Patrina Bowles
Tracy Southers
Brenda Nash
Brenda Gordon

Call to Order

- A meeting of the Lowndes County Board of Health was held Tuesday, January 29, 2019 at 7:30 a.m. in the large conference room at the Lowndes County Health Department.

Public Comments

- There were no public comments.

Approval of November 27, 2018 Minutes (Attached)

- Mayor Gayle made a motion to approve the minutes from the November 27, 2018 meeting. The motion was seconded by Dr. Frances Brown. All were in favor and the motion passed.

Business

Public Health Updates – William R. Grow, MD, FACP (Attached)

- Dr. Grow introduced Dwain Butler as the new District Program Manager/Deputy Director, who replaced Tad Williams.
- The Board was informed that things were quiet at the state office; however, Dr. O’Neal, if requested by Governor Kemp, indicated he would continue to serve as commissioner or return to his former position as director of emergency preparedness if he does not remain as commissioner.
- State offices are closed today and will also be closed the following Monday – Wednesday due to the Superbowl, which is being held in Atlanta. State employees will work remotely.
- Lowndes County Board of Health officers are scheduled to be elected for 2019 and 2020. Mayor Gayle made a motion for all officers to remain the same: Dr. Mark Eanes as Chairman, Dr. Mary Margaret Richardson as Vice-Chairman and Dr. Randy Smith as secretary. Mr. Slaughter seconded the motion. All were in favor and the motion passed.

Financial Information – Teresa Giles (Attached)

- Ms. Giles presented the Revenue and Expense Summary for July 1, 2018 – December 31, 2018.
- County funds are on track with 25% of Grant-in-Aid funds received.
- There is nothing new to report and the budget is in good shape overall.

Nurse Manager's Report – Norma Jean Johnson (Attached)

- Ms. Johnson provided a staffing update indicating one vacant RN and one vacant LPN position. Two full-time RNs were hired and are scheduled to begin February 1, 2019 and February 18, 2019. There are currently three full-time RNs with Family Planning, Sexually Transmitted Infections, Child Health and Breast Test and More protocols.
- Tracy Southers presented an overview of Vital Records' role in the THC Oil Program, which was signed into law April 16, 2015. This law qualifies certain individuals with eligible diseases to legally possess up to 20 fluid ounces of Low THC oil. Since implementation, 10,000 cards have been issued throughout Georgia. Lowndes' Vital Records office has issued 220 cards, generating \$5,500 in fees. Dr. Smith asked if possessing this card protects the individual from arrest by the state and federal police. Ms. Southers indicated that it protects from arrest by the state police. Dr. Eanes asked where the product can be obtained, and Ms. Southers noted that only the cards are issued through the health department and that Vital Records has no knowledge of where the product may be obtained.

Environmental Health Update – Kyle Coppage (Attached)

- Kyle Coppage presented and reviewed the Environmental Health Activity Report for November 27, 2018 – January 18, 2019.
- Aaron Darnell discussed Voluntary National Regulatory Program Standards and funding available through affiliated grants with the Board.

Announcements

- Mr. Slaughter mentioned he and Gayle met with Moody representatives and during that discussion, the matter of reciprocity of licensing for military dependent spouses was one of the topics brought to the table, specifically as it relates to nurses.

Adjournment

- There being no further business, the meeting was adjourned at 8:20 a.m.

Respectfully Submitted,

Dr. Randy Smith, Board Secretary
Brenda Nash, Typist

Governor Brian Kemp has appointed Kathleen Toomey, M.D., the new Commissioner of the Georgia Department of Public Health.

An epidemiologist and board-certified family practitioner, Dr. Toomey's career in public health is long and distinguished. Toomey attained her undergraduate degree at Smith College in Northampton, Massachusetts and received her M.D. and M.P.H. degrees from Harvard Medical School and the Harvard School of Public Health. As a Fulbright Scholar, she studied indigenous healing

practices in Peru.

Most recently, Dr. Toomey served as Director of the Fulton County Department of Health and Wellness, leading the department's transition to become the Fulton County Board of Health and continuing as District Health Director of the Fulton Board of Health until January 2019.

"Dr. Toomey is a world-renowned epidemiologist with a distinguished career in public health through her work as a physician, researcher and expert in her field. Over the years, she has earned a stellar reputation, and I am confident that Dr. Toomey will serve Georgians well as Commissioner of the Georgia Department of Public Health," said Governor Kemp.

South Health District 8-1
Georgia Department of Public Health

GEORGIA DEPARTMENT OF PUBLIC HEALTH

1

Public Health Informatics

Goals:

- Review Public Health Informatics
- Evaluate Current State
- Define Future State

GEORGIA DEPARTMENT OF PUBLIC HEALTH

2

Health Informatics is a term describing the acquiring, storing, retrieving and using of healthcare information to foster better collaboration among a patient's various healthcare providers. Health Informatics plays a critical role in the push toward healthcare reform.

Public Health Informatics

Public health informatics has been defined as the systematic application of

- information science
 - computer science
 - technology to public health practice, research, and learning
- (Springer, 2002)

Public Health Informatics

The application of informatics in areas of public health include:

- Surveillance
- Prevention
- Preparedness
- Health promotion

7

Results

M&M Optimization Survey

Q4 Overall, I prefer using M&M than the old way of doing things.

GEORGIA DEPARTMENT OF PUBLIC HEALTH

8

Survey Results

- VHN Implementation Successful
- After two years, end users are more comfortable
- Deficiencies and "work around" workflows identified
- Full M and M functionality not being utilized
- Optimization Required:
 - Priority: What needs the most attention?
 - People: Who needs the attention?
 - Process: What processes need optimization?

Action Plan

Action Plan

Redesign training methodology

- New Employees
- Current Employees

Evaluate and implement efficient workflows
