Do you want a Water Sample Taken: <input type="checkbox"/> YES <input type="checkbox"/> NO (Additional \$50.00)	
Signature (Owner or Applicant)	Date

If permits are not on file, you must stake off the four corners of the existing septic tank and mark the drain lines before our inspection. Contact the health department when this has been done. Septic tanks *may* have to be pumped prior to final approval. Not completing this application could result in delayed approval.
