### Approval of Previous Minutes

Col. (Ret.) Mitchell made a motion to approve the minutes as written from the August 15, 2023, meeting. Terry McClain seconded the motion. All were in favor and the motion passed.

### Financial Updates (Teresa Giles, District Administrator)

The Revenue and Expense Summary was reviewed for July 1, 2023, through September 30, 2023. The Grant-In-Aid amount was decreased by \$2,850 to reflect the amount received for the Fiscal Year 24. Cook’s Revenue and Expenses are on track for the current fiscal year. The new fiscal year begins in July.

### Public Health Updates (Mark J. Eanes, MD, MBA, District Health Director)

- Dr. Eanes informed the board members that he was reinstating some of our services that will be free of charge to the board members as a thank you for their willingness to serve on our board.
- Dr. Toomey visited the district on September 29, 2023, to attend a program honoring Dr. Grow. When visiting, our district shared with her that we are rolling out a program called “Healthy on Purpose”. This initiative is to help our staff understand that what we do has a purpose in how we serve our community. We will be posting QR codes in the lobbies so clients can scan them and learn what services our health department offers and some success stories stemming from our services.
- Covid vaccines have finally arrived, so we are now able to schedule appointments. We are still waiting on more guidance on the RSV vaccine, so when we get those, we will let the board members know.

### Women’s Health Updates (Missy Sims, RN, Women’s Health Coordinator)

- Information was provided and handouts were distributed on different services offered through our Women’s Health Program. A few of the programs include the Family Planning Program, the Breast and Cervical Cancer Program, Presumptive Pregnancy Medicaid, and Presumptive Women’s Health Medicaid.

- From July 1 through September 30, 2023, services have been provided for 120 unduplicated Family Planning clients, 12 Breast and Cervical Cancer clients, and 16 Presumptive Pregnancy Medicaid clients.

**Nurse Manager Updates (Rebecca Allgood, RN, County Nurse Manager)**

- A total of 248 students and 43 staff members have been vaccinated for flu.
- August 22: nurses attended “Making Connections for Our Kids” family night at the Cook Schools.
- September 19: nurses assisted the Adel Police Department with car seat training and providing car seats to the community in need.
- September 25: Rebecca Allgood attended The Family Connections Collaborative where she was able to discuss health department services.
- September 29: the nurses attended a luncheon for adults and retired members of a church to discuss health department services.

**Environmental Health Updates (Danielle Hurst, MPH, Environmental Health Specialist)**

- Ms. Hurst reviewed environmental health activity from June 15, 2023 – October 5, 2023.
- Cook County currently has 65 food establishments, seven tourist accommodations, two body art permits and three public swimming pools.
- Nine temporary permits (fee is \$100 each) have been granted in our community and are good for 14 days. This allows mobile food units that are Permitted in other states to serve food while participating in Cook events.
- The mosquito surveillance program will be completed in November and will pick back up in March.

**Announcements**

Dr. Tom Fausett stated that this will be the last meeting for the year. There were no other announcements.

**Adjournment**

There being no further business, Dr. Fausett adjourned the meeting at 12:35 PM.

Respectfully submitted,

---

Debra Robinson-McKenney, Board Secretary  
Beth Magsanay, Typist
