- Dr. Eanes highlighted the new “Healthy on Purpose” mission that is being launched in the ten-county district. He encouraged members to look at the new, redesigned, website.
- First Amendment Auditors have been showing up at several of the health departments throughout the district representing the Open Records Act. They are allowed to record videos and audios in the lobbies but are not allowed to film patients nor enter clinical areas. A written policy is being developed to address the Open Records Act.
- There has been a small uptick in Covid cases.
